ALL-COUNTY INFORMATION NOTICE I-138-82

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: WORKSHOPS ON FAMILY REUNIFICATION PROGRAM AND
PERMANENT PLACEMENT PROGRAMS

The Family and Children's Services Branch will be conducting workshops in November and December 1982 on the implementation of regulations governing the Family Reunification and Permanent Placement programs. These workshops will focus on the application of the regulations to individual case situations.

Attached is a list of the nine workshop dates and locations. These one-day workshops will begin promptly at 9 a.m. and end at 4 p.m. The workshops will be directed primarily to first-line supervisors. Each session will accommodate approximately 40 participants.

At the conclusion of the training, participants should be able to:

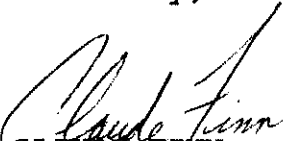

- . Develop an agency/parent service agreement with time-limited objectives and planned actions to be carried out to achieve objectives.
- . Write a reassessment for a child in the reunification program.
- . Identify the steps necessary to determine whether reunification is possible or whether an alternate permanent plan is required.
- . Participate on an Administrative Review Panel (ARP) and utilize the report from ARP in ongoing work with family.
- . Document the need for placement of a child in a group home including a home out of county.
- . Develop an alternate permanent plan for a child for whom reunification is not possible.

Training sessions will be held in various parts of the state and the attached list provides the schedule and location for each county.

Also attached is a questionnaire which is to be returned by October 25, 1982 concerning staff attending the workshop. If a county wishes to attend an alternative workshop every effort will be made to accommodate.

If you have questions regarding this matter, please contact your Family and Children's Services Program Management Consultant at (916) 445-7653 or ATSS 485-7653.

Sincerely,

CLAUDE FINN
